

# Mountera® Corner Adapter

Mountera® adapter for the installation of a Mountera® Wall Bracket at external corners of buildings

The innovative **Mountera® Quick-Lock System** is a completely new concept for **quick and easy installation** of the latest camera and Panomera® systems. The Mountera® system consistently continues the **elegant design line** of the camera systems, allowing visually appealing and yet **robust installations without visible cables**. The comprehensive system offers a wide range of **mounting options** and, in combination with the power supply or recording on site, it is also attractive for its **discreet installation that is reduced to the essentials**.

## Installation

The robust Mountera® Corner Adapter is designed for easy and safe installation on rectangular external corners of buildings. It is optimally matched to the Mountera® Wall Bracket and thus allows the installation of all camera systems that are compatible with the Mountera® Quick-Lock System.

## Plug-Adjust-Lock

The innovative Mountera® Wall Bracket is equipped with the specially developed Mountera® Lock. After the bracket has been installed, the camera system can be clicked in safely with its Mountera® Plug and optimally aligned at a horizontal angle of 170°. The final locking is made just as easy with one adjusting screw only.

## Finish

The Mountera® Corner Adapter is made of robust stainless steel and has a signal white (RAL 9003) powder coating, which has been tested for seawater resistance according to DIN EN 60068-2.

## Compatibility

The Mountera® Corner Adapter is compatible with the Mountera® Wall Bracket and therefore suitable for the installation of all camera and Panomera® systems equipped with the Mountera® Plug.

## Scope of delivery

- Mountera® Corner Adapter
- 8x screws
- 8x dowels

### Adapter

007321
