

# Mountera® Box

Overview of the component positioning and cabling of a Mountera® Box equipped with PSU and media converter

## Position

The Microsens Media Converter is mounted on top of the PSU using a mounting rail (image similar) on the upper side.

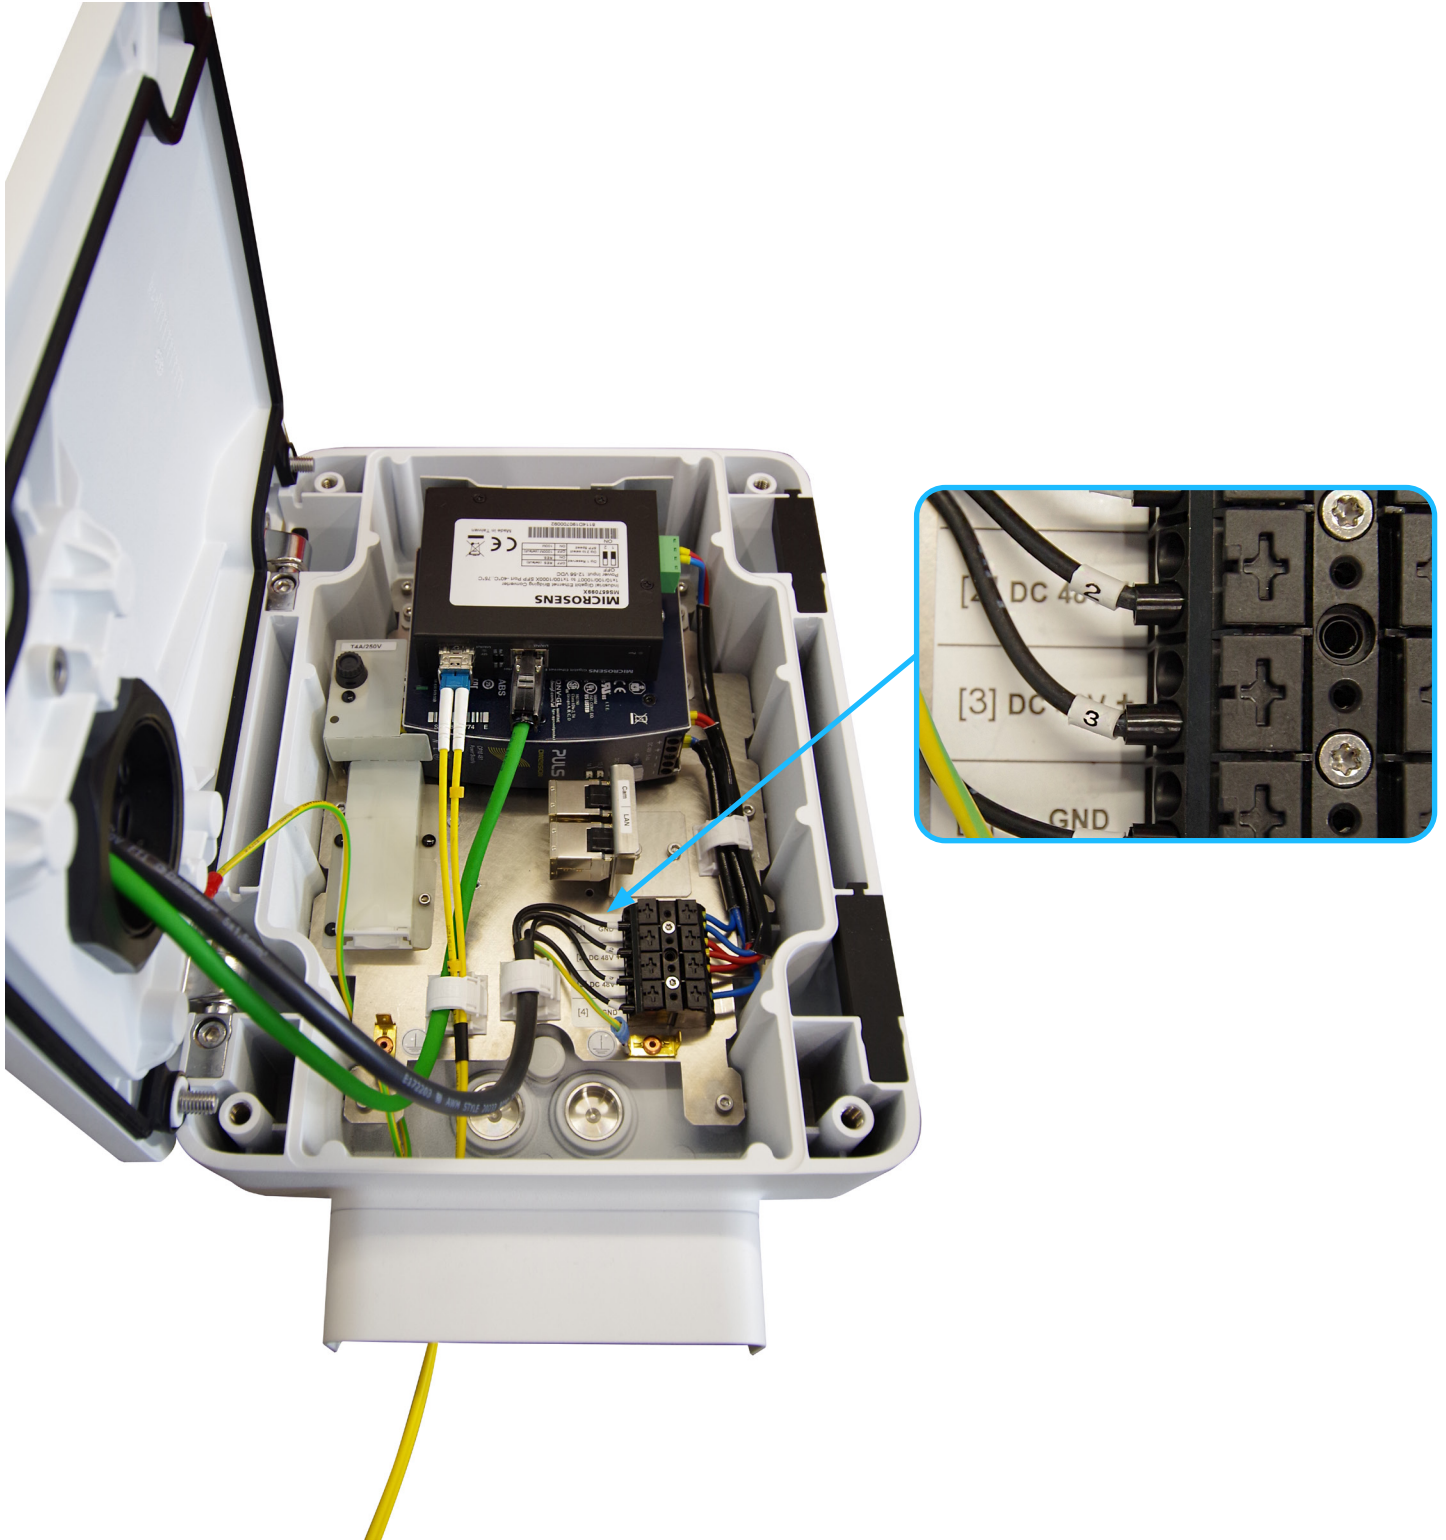

# Mountera® Box

Overview of the component positioning and cabling of a Mountera® Box equipped with PSU and media converter

## Cabling

This image shows the cabling with the Mountera® Cable Set C for the connection of the Panomera®. The power cables are all in black but labeled with a number matching the number on the power out terminal.

Note that the shown optical fiber cable depends on the protocol (singlemode or multimode).
